7. If you are applying for a temporary license, additionally submit the following:

   - A "Physician Assistant Temporary License Request" form (attached to this application) – if you have met all requirements except passing the NCCPA Examination. (See the "Additional Important Information" section below.)

ADDITIONAL IMPORTANT INFORMATION:

1. **Utah Physician Assistant Law and Rules Exams:** All applicants for licensure must pass the Utah Physician Assistant Law and Rule Examination. Contact Experior at the address and telephone number below to register for the examination.

   Experior, 5486 South 1900 West, Suite C, Taylorsville, Utah 84118, (801) 355-5009

   You may also purchase a study guide(s) from Experior, which has been prepared to assist candidates taking the exams. In addition, the following applicable laws and rules are available on the Internet at www.dopl.utah.gov or they can be purchased from Experior at the address and telephone number listed above.

   - Division of Occupational & Professional Licensing Act
   - General Rules of the Division of Occupational and Professional Licensing
   - Utah Physician Assistant Practice Act
   - Utah Physician Assistant Practice Act Rules
   - Utah Controlled Substances Act
   - Controlled Substance Act Rules of the Division of Occupational and Professional Licensing
   - Health Care Providers Immunity from Liability Act

2. **Controlled Substances Law Examination:** Experior also administers The Utah Controlled Substances Law Examination. For registration and fee information, contact them directly at the address and telephone number listed above.

3. **Examination Fees:** There are separate fees for all examinations. It is the responsibility of the applicant to submit the fees directly to the testing agency.

4. **Current Documents:** Applications, statutes, and rules may change from time to time. If you have not recently obtained any of these documents, you may want to contact the Division or visit our Internet site to verify that you have current versions.

5. **Controlled Substance License:** You must hold a Utah controlled substance license and a DEA registration to administer, possess, or prescribe a controlled substance in your practice in Utah. You must obtain your own controlled substance license and DEA registration. You may not use your supervising physicians' controlled substance licenses or DEA registrations.

6. **DEA Registration**: For DEA registration information, contact the Drug Enforcement Administration at (800) 326-6900.

7. **Delegation of Services Agreement:** A "Delegation of Services Agreement" is to be maintained at each of your Utah practice sites and must be available to the Division of Occupational and Professional Licensing upon request. **Do not submit them with your application for licensure.** The agreements contain written criteria jointly developed by you and your supervising physician and substitute supervising physicians that permit you, working under the direction or review of the supervising physicians, to assist in the management of illnesses and injuries common to the physician's scope of practice. A "Delegation of Services Agreement" form is included with this application for your convenience.

8. **Temporary License:** A temporary license will only be issued to an applicant who has never taken the NCCPA certification examination and who otherwise meets all licensure requirements.

   A temporary license is valid from its date of issuance until the earlier of the following dates:

   - 10 days after receiving the test results of the first scheduled NCCPA examination following issuance of the temporary license; or
   - failure to take the first scheduled NCCPA examination following issuance of the temporary license

   A physician assistant holding a temporary license may work:

   - only under the direct supervision of an approved supervising or substitute supervising physician with the physician physically present on site and immediately available for consultation;
   - only with 100% review and countersigning of patient charts; and
   - only in accordance with a Delegation of Services Agreement.

9. **License Renewal:** All physician assistant licenses expire May 31 of each even-numbered year. If you possess a controlled substance license, it will expire at the same time as your physician assistant license and will also need to be renewed.

   Unlike many other states, Utah's license renewal schedule **is not** based on the licensee's date of initial licensure. Under Utah's renewal system, all licenses in each profession expire as a group on the same day every two years. Therefore, the length of a licensee's first renewal cycle depends on how far into the current renewal cycle initial licensure was obtained. Each renewal cycle thereafter is for a full two years.

Additionally, the fee paid with this application for licensure is an application processing fee only. It does not include a renewal fee. Each licensee is responsible to renew licensure **PRIOR** to the expiration date shown on the current license. Renewal information is disseminated to each licensee at the licensee's last known address, as provided to the Division, approximately two months prior to the expiration date shown on the license.

10. **Renewal Requirements / Continuing Education:** In order to renew your license you must complete at least 40 hours of Category 1 ACCME continuing education in each two-year license renewal cycle.

11. **Updating Address Information:** It is your responsibility to maintain a current address with the Division. If your address is incorrect, you will not receive renewal notices or other correspondence.

12. **Name Change:** If you have been licensed by the Division under any other name, please submit documentation of your name change such as a copy of your marriage license or divorce decree.
